

## Information for Poster Presenters

### Size of Poster Boards

- A0 (84.1 X 118.9 cm) = (33.1 X 46.8 inches)
- Posters can be slightly larger if using a white margin. For example, (85 X 120 cm).
- Posters should not be any larger than 85 X 120 cm (33.5 X 47.2 inches).
- Posters can be clipped directly on the board (as shown in picture, below right)
- Posters can be fastened to the board with push pins. No glue or tape is allowed.

### Set-up and Tear-down of Poster Boards

Posters can be set on Thursday evening, 9 May or Friday morning, 10 May. Poster boards will be set directly outside the PSI Auditorium. All posters should be set by the first coffee break on Friday morning at 10:30 am.

Posters can remain on display up until Sunday, May 12. Please remove your poster no later than the afternoon coffee break at 2:30 pm.

Please note, ICDD is not responsible for any posters left by the author(s).

### Flash Poster Session

A flash poster presentation is scheduled for Saturday morning, 11 May from 9:00 - 10:00 am (please see Symposium Program). Any author that submitted an abstract for poster presentation will be given the opportunity to address attendees with 1-3 powerpoint slides (approximately 5-8 minutes) summarizing the content of their poster. **To save time, please email your slides, saved as a PDF, to the Flash Poster Session Chair, Barbara Ramirez: [barbara.ramirez-almaguer@psi.ch](mailto:barbara.ramirez-almaguer@psi.ch), before Friday, 10 May.**

### Poster Presentation

Attendees will view your poster through-out the symposium during coffee break and lunch times. The posters will be set directly outside the PSI Auditorium, along with exhibits, coffee breaks and lunches. Please try to be available to discuss your poster during coffee break and lunch times. You may wish to prominently display your email address or phone number on your poster so that attendees may contact you during the symposium with questions regarding your poster.
