

TRANSPORTATION INFORMATION

The most convenient way to travel between the Hotel TERMINUS Brugg and the conference site at the Paul Scherrer Institute is via public transport (**BUS 376**).

During rush hours, **BUS 376** (Postauto Cars, yellow buses) will run directly from Brugg main railway station to the Paul Scherrer Institute (11 or 14 min ride, no stops). Outside the rush hours, BUS 376 will make several intermediate stops and reach the Paul Scherrer Institute in approximately 20min.

Passengers can purchase bus tickets directly on the bus by the driver or using automatic machines available at the Brugg main station (w/o 2 zones ticket for 5CHF, valid 1h). **The conference will make available such bus tickets to those participants who request them BEFORE May 1 via the "Attendee Profile Form". Tickets will be provided to you at the time of your check-in to the Hotel TERMINUS Brugg.**

Buses are relatively frequent (2 or 4 times per hour), but we recommend checking the following bus schedule to avoid arriving late at the conference site:

BUS 376 Direction Villigen, PSI OST

BRUGG main station --> Villigen, PSI WEST

Departure	Arrival	
...		
08:04	08:15	(fast run, 11min)

Useful details on Swiss train and buses connections can be checked on Google Maps or the **SBB Mobile App**, very convenient and easy to use. Bus and train tickets can be purchased via the SBB mobile application, tickets are provided electronically and there is no need to print them. The application is available in French, German, Italian and English.
