Guidelines for Preparing Abstracts

If you do not want your abstract posted on the web site, please note your request when submitting your abstract. Abstracts must not exceed one page in length and must include the title, author(s), affiliation(s), and the text. To provide uniformity, it is recommended that abstracts be prepared according to the following guidelines.

Abstract Format

- ◆ **Paper Size:** 8.5 x 11 inches; A4 paper must be formatted for 8.5 x 11 inches
- ◆ **Size:** Entire abstract, including title, author(s), affiliation(s), and text, must fit into a maximum area of 15 cm (5.9") wide by 20 cm (7.9") high. Please allow a top margin of 3.8 cm (1.5") and 2.54 cm (1") margins on all other sides
- ◆ **Font:** Times or Times New Roman, 12 point
- ◆ **Title:** bold, centered, all uppercase (except where lowercase letters are needed for clarity)
- ◆ **Leave** one blank line between the title and the author(s)
- ◆ **Author(s) and affiliation(s):** mixed upper and lowercase, centered; if there is more than one author, underline the presenting author's name
- ◆ **Leave** two blank lines before beginning text
- ◆ **Text:**
 - ▼ Text should appear flush left; do not indent
 - ▼ Use line spacing sufficiently large enough to allow the abstract to be read easily, including subscripts, superscripts and Greek letters
 - ▼ A blank line is recommended (space permitting) between new paragraphs

**Deadline for receipt of abstracts
15 November 2006**

Confirmation

Receipt of abstracts sent by e-mail will be confirmed by e-mail. If you do not receive your confirmation within 2 weeks of your submission, please contact:

Leah Mooney, Education Coordinator
mooney@icdd.com

Submission

Abstracts may be submitted on the web or by e-mail. Web submission is the preferred method.

1. **Web:** See www.icdd.com/ppxrd for detailed web submission instructions.
2. **E-mail:** Send as an attached Adobe® PDF (preferred format) or Microsoft® Word (97 through 2003). Pictures and graphs are acceptable but file size should not exceed 1 MB. Send attached files to: ppxrd@icdd.com.

Please note:

If submitting a Microsoft® Word file, please minimize the use of special characters, tables, mathematical formulae and figures. If special symbols or Greek letters are used, please limit the fonts to those that are available with the standard distribution of Microsoft® Word. Nonstandard fonts may lead to errors in transmission. All graphics must be embedded in the Word document. **Because they do not reproduce well, abstracts submitted by facsimile will not be accepted.**

Authors who submit their abstracts by e-mail must submit a separate page with the following information:

- ◆ Permission to post on the ICDD web site
- ◆ Speaker's name, mailing address, phone number, fax number, and e-mail address
- ◆ If the speaker is not the person to whom correspondence should be sent, please include contact person's name, mailing address, phone number, fax number, and e-mail address.
- ◆ Indicate your preferences:
 - suggested session where paper may be best suited
 - oral presentation or poster
- ◆ If your submission is invited, please indicate that your abstract is invited along with the session title where your talk will be presented

The Organizing Committee will select papers, and notify authors of acceptance and mode of presentation.
