## Pharmaceutical Powder X-ray Diffraction Symposium

September 27–29, 1999

First Announcement  
and  
Registration

International Centre for Diffraction Data

PPXRD

Patents & Regulatory Issues

XRD Application in Pre-formulation and Formulation

Non-ambient XRD Applications in Pharmaceuticals

Crystallinity and Crystal Form Quantification

Structure Determination, Indexing and Molecular Modeling

---

# PPXRD

---

*Sponsored & Organized by*  
**International Centre for Diffraction Data**

The International Centre for Diffraction Data will continue as the world center for quality diffraction data to meet the needs of the technical community. ICDD promotes the applications of materials characterization methods in science and technology by providing a forum for the exchange of ideas and information.

*Co-Sponsored by*  
**Glaxo Wellcome**

**PPXRD Symposium**  
**Scientific Organizing Committee**

**Dr. John Faber**  
*ICDD*

**Dr. Ron Jenkins**  
*ICDD*

**Dr. Raj Suryanarayanan**  
*University of Minnesota*

**Dr. Marek Zakrzewski**  
*Rhône-Poulenc Rorer*

**Dr. Peter Varlashkin**  
*Glaxo Wellcome*

**Mr. Chris Kidd**  
*Glaxo Wellcome*

**Ms. Terry Maguire**  
*ICDD*

---

**PPXRD Symposium**  
**September 27–29, 1999**  
**to be held at the ICDD**  
**Newtown Square, Pennsylvania, U.S.A.**  
**Preliminary Program**

**Monday September 27**

- ❖ *XRD Applications in Pre-formulation and Formulation*
- ❖ *Non-ambient XRD Applications in Pharmaceuticals*

**Tuesday September 28**

- ❖ *Crystallinity and Crystal Form Quantification including Rietveld Applications*
- ❖ *Structure Determination, Indexing, and Molecular Modeling*

**Wednesday September 29**

- ❖ *Patents/Regulatory Issues (Full Day)*
- ❖ *Conference Wrap-up*

**Evening Sessions**

- ❖ *Planned software and hardware manufacturers demonstrations.*

---

---

## Registration

**Fee is \$850 and includes:**

- ❖ conference materials
- ❖ daily luncheon

**Every attendee, including Invited Speakers, Authors, and Committee members must send a registration form to the ICDD.**

---

---

## SCHOOLS

If sufficient interest exists, we may run two concurrent, associated one-day schools on September 30. Please indicate on the registration form if you are interested in attending one of the following sessions:

- Rietveld Analysis
- Structure Determination from Powder X-ray Patterns.

School fee alone is \$250.00 per day. School fee if also attending the PPXRD Symposium is \$125 per day. Lunch and course materials are included.

## SPONSORS

Corporations and manufacturers are invited to sponsor a social function during the symposium. For more information contact Jeanne Ginsburg or Terry Maguire at ICDD.

## ACCOMMODATIONS

Information on selected hotels will be available in the Symposium program.

## TRAVEL

The official travel agency for the Symposium is Kitty Ward Travel. For assistance, contact Maureen Ward at 1-800-752-3718.

**ABSTRACTS** for talks and posters must be received by ICDD no later than May 15, 1999. Submissions must be in electronic form in accordance with the guidelines below. The Organizing Committee will select papers and notify authors of acceptance and mode of presentation.

### **Abstract Guidelines:**

Authors should send contributions as computer files in one of the following ways: (1) e-mail to: ppxrd@icdd.com, or (2) ftp to: ftp.icdd.com; (3) mail on a 3.5 inch diskette together with an original and 5 copies of the hard copy text, unfolded. Abstracts submitted by facsimile machine are not accepted. Only e-mail submissions will be acknowledged upon receipt.

- ❖ Acceptable file formats: LaTeX, MS Word, Word Perfect, ASCII and HTML.
- ❖ Include second page with author's name, address, phone, fax and e-mail information, and indicate whether you intend to publish this paper in the conference proceedings.
- ❖ Abstract should be prepared in English, with no figures, no formulae, no macros.
- ❖ Text must fit into 6" x 11" (15 x 23 cm); no longer than one page.
- ❖ Set left margin at 1.5" (3.81 cm); right, top and bottom at 1"(2.54 cm).
- ❖ Times or Times New Roman font should be used, no more than 12 characters per inch.

---

❖ Structure:

- Title in UPPERCASE, **bold** typeface, left justified.
- Authors names Capitalized, **bold** typeface, left justified.
- Addresses of all authors in *italics*.
- Type single-spaced on 8-1/2" x 11" or A4 page.

*For the latest conference information*, consult the PPXRD web page at <http://www.icdd.com/ppxrdsymp>, or call Jeanne Ginsburg or Terry Maguire at ICDD.

Phone: 610-325-9814

Fax: 610-325-9823

E-mail: [ppxrd@icdd.com](mailto:ppxrd@icdd.com).
