

E-POSTERS

In addition to the traditional poster session on Tuesday evening, poster presenters are invited to submit an electronic file of their poster for viewing at ICDD headquarters throughout meeting week. An eposter station will be positioned in the front lobby of the ICDD building giving members the opportunity to thoroughly study the poster presentations.

The following are guidelines for formatting and submitting your eposter to ICDD:

E-POSTER FORMAT:

1. Your poster file must be in full landscape format and be one page only.
2. Create your poster in PowerPoint (or equivalent).
3. Title: Bold, Center, Mixed upper and lower case.
4. Author(s), Affiliation(s) and Contact Author E-mail Address: Center directly under Title. Leave one blank line after the Contact Author's E-mail Address before beginning text of poster.
5. It is strongly recommended to use a 16:9 aspect ratio (widescreen), with a simple and clear typeface (Arial, Arial black, Calibri...) and regular text size not less than 28 for the body of the different sections (depending on the amount of data you will be adding and the design you are using).
6. Images/pictures or graphs, the suggested minimum resolution is 300 dpi. To check that they appear correctly on the final/printed version, zoom in at 100% and check the images, pictures and graphs. It is better to use high quality images/graphs when creating the poster and then convert it to PDF (as PDF files can be compressed).
7. Provide clear labels or headings for each section of your presentation to avoid confusion.

1. **Convert to PDF format**
2. PDF file cannot exceed 10MB
3. Attach your PDF to an email and send to ICDD by 4 March 2019. Please email your file or any questions to Eileen Jennings: jennings@icdd.com

HELPFUL HINTS:

Try to avoid the use of red or green in fonts or backgrounds as they are colors that are difficult to read.

DEADLINE:

Please email the PDF of your eposter to Eileen Jennings: jennings@icdd.com by 4 March 2019.
