1. Call to Order and Opening Remarks M. Rodriguez
2. Appointment of Minutes Secretary Steph Jennings
3. Roll Call and Attendance
4. Review of Mission Statement  

Enable the polymer scattering/diffraction community to make the best use of diffraction/scattering data for analyzing polymeric materials. This includes producing databases, promoting best practices for data analysis, campaigning the national laboratories and instrument manufacturers for polymer-friendly instrumentation and software, and educating the diffraction community about issues that have a special impact on polymer characterization, and the polymer community on the significance of careful and thorough evaluation of the diffraction data.
5. Approval of the 2019 Meeting Minutes
6. Report of Board Liaison J. Kaduk  

The board liaison should remind the chair, that in order for a motion to move forward, a task group (or leader) needs to be assigned and named within the motion.
7. Discuss about what polymer patterns are most needed L. Liu
8. Future Focus General
9. Adjournment
