Alina Bruma, Chair

- I. Welcome Remarks A. Bruma
- II. Appointment of Minutes Secretary K. McGroarty
- III. Approval of [2021 Minutes](#)
- IV. Review of Mission Statement  
The Electron Diffraction Subcommittee serves as a bridge between the electron diffraction community and the other parts of ICDD. It will communicate the needs of electron diffraction specialists and users to ICDD, so that ICDD may more effectively respond to those needs. It will assist in communicating to the electron diffraction community the way in which ICDD will serve them. To these ends, it will cooperate with other ICDD subcommittees and with the central organization of ICDD. Specifically, the subcommittee shall monitor the status of and suggest improvements to the databases and related products used in electron diffraction (those produced by other organizations, as well as those produced by ICDD).
